

FOR IMMEDIATE RELEASE

## **CellTrust Awarded in Five Security Categories Leading to a 2014 Grand Trophy for their Contribution to IT-Security by Industry Experts and Peers**

*CellTrust Picked-up Five Security Category Awards and were Honored with a 2014 Grand Trophy at the Tenth Annual Info Security Products Guide Global Excellence Awards Ceremony*

**SCOTTSDALE, ARIZONA – February 25, 2014** –CellTrust Corporation, a global leader in secure mobile communication, announced today that the company was the recipient of a 2014 Grand Trophy and five additional category awards at the *Tenth Annual Info Security Products Guide Global Excellence Awards* held last night in San Francisco, California.

Judged by peers and industry experts, these prestigious global awards recognize security and IT vendors with advanced, ground-breaking products and solutions that are helping set the bar higher for others in all areas of security and technologies.

With the launch of an enterprise level suite of Secure Mobile Communication products – **PULSE™**, **TRACK™**, **COMMAND™** and **VENTURE™** - within the past year, CellTrust has been recognized for their innovation and contribution to the security industry. The CellTrust team took away gold, silver and bronze awards for their contribution to mobile security across the following categories:

- HIPAA Compliance (Health Insurance, Portability & Accountability Act)
- Security Products and Solutions for Finance and Banking
- Wireless, Mobile or Portability Device Security
- Online Video of the Year
- Best Overall Security Company of the Year

“CellTrust is honored to be a recipient of the Info Security Products Guide 2014 Grand Trophy,” said [Sean Moshir, Chairman and CEO of CellTrust Corporation](#). “We remain committed to doing our part to secure the mobile channel and would like to thank our security industry peers for their recognition.”

CellTrust PULSE is currently on display at [Mobile World Congress 2014 in Barcelona](#), February 24-27, in Samsung Mobile’s B2B zone, Hall 3, with CellTrust staff present to demonstrate the Application running on Samsung Galaxy Note 3 and Galaxy Gear.

Simultaneously, CellTrust PULSE is on display at the [HIMSS Annual Conference in Orlando](#), February 24-27, CellTrust booth # 5883, and at the Samsung booth # 503 with members of the CellTrust team demonstrating the Application running on Samsung Galaxy Note 3 and Galaxy Gear.
